

Personal Philosophy

- ❖ I believe that learning is built into all activities including physical, cognitive, social/emotional and communication
- ❖ I believe learning should be fun, safe and positive
- ❖ I believe each child should feel loved and cared for.
- ❖ I believe each child is unique with their own interests, backgrounds and developmental stages
- ❖ I believe learning should be age appropriate
- ❖ I believe children should be given a choice, responsibilities and opportunities.
- ❖ I believe watching and observing children on a regular basis helps develop more opportunities for them to continue their learning
- ❖ I believe the learning environment should be open and allow the children to visit, and explore
- ❖ I believe families should be a big part of the class and be welcome anytime
- ❖ I believe in open communication with parents
- ❖ I believe in Being, Belonging and Becoming
